

## OIL & Energy

The following table summarizes a list of achievements in Oil & Energy sector.

<b>Client</b>	<b>Scope</b>	<b>Year</b>
Middle Euphrates Electricity distribution utility ,MOE	Supply of MV (Medium Voltage) cable 1x400 mm <sup>2</sup> , 33 kV, 16850 m	2012
Middle Euphrates Electricity distribution utility , MOE	Supply of MV (Medium Voltage) cable 1x400 mm <sup>2</sup> , 33 kV, 4425 m	2012
Al-karkh Electricity distribution utility, Baghdad, MOE	Power distribution Transformers of 400 kVA with 1250 units,	2011
Al-karkh Electricity distribution utility, Baghdad ,MOE	Power distribution Transformers of 250 kVA with 250 units	2011
Al-Sadr Electricity distribution utility, Baghdad ,MOE	Power distribution Transformers of 250 kVA with 25 units	2011
Wasit Governorate	Power distribution Transformers (various ranges ) of 190 units	2011
Al-Sadr Electricity distribution utility ,MOE	Power cables contract	2011
Middle refinery Co. ,MOO	Power cables contract (2)	2010
Middle refinery Co. ,MOO	Power cables contract (1)	2010
Beji refinery Co. , MOO	supply of power distribution transformers	2010,2011
ALMCO Group	supply of cables & transformers throughout Iraqi territory	2011,2012
Karbala Governorate	Supply of 130 units distribution transformers	2010
Al-Anbar Governorate	Supply of distribution transformers	2010
Baghdad Governorate	Supply of distribution transformers	2010
Prime ministry department	Supply of distribution transformers	2010
Wasit Governorate	Supply of 125 distribution transformers (various range)	2010
Al-Ataba Co., Karbala Governorate	Supply of transformers (1600 kVA)	2011
Wasit Governorate	Supply of 23 distribution transformers	2010
Karma Co.	Supply of 250 & 400kVA distribution units (105 units) targeted to National electricity network.	2011
SCOP ( State Iraqi Company of Oil Projects)	Supply of LV Power cables (Wide range)	2011,2012
Ministry of Oil (MOO)	MV (Medium Voltage) 11 kV 3 × 120mm power cable	2010
Coca Cola Baghdad Co.	LV (Low Voltage) 0.6/1 kV power cables contract	2010
